128 days of wonder & connection at sea

An unhurried Journey of discovery across oceans, continents, and cultures. 128 days created for like-minded guests who wish to see the world in its fullest expression.

Crafted in *Passages* that offer both choice and flow, our *Inaugural World Journey* weaves together iconic destinations, maiden calls, and extended stays for deeper, unhurried exploration.

EXPLORA I will sail from Dubai’s golden horizons, along India’s spice-scented coasts and the iridescent seas of the Maldives, before continuing towards Sri Lanka’s sacred beauty, the vibrant pulse of Southeast Asia, and the island landscapes of Bali and Komodo.

The Journey will then venture through the seas of Oceania, from Australia’s sunlit shores to New Zealand’s untamed southern landscapes, before reaching the luminous waters of Bora Bora and Tahiti, the mystery of Easter Island, and the colourful rhythms of the Americas. The Journey concludes amid Atlantic isles and the welcoming warmth of the Mediterranean.

Each *Passage* stands alone as a complete Journey, yet together they form one unbroken story of exploration.

Life on board moves to the rhythm of the ocean itself; unhurried, graceful, and deeply restorative. Ocean-front suites create true *homes at sea*, while ocean-inspired *wellness* experiences, world-class *dining*, and curated *entertainment* and *enrichment* offer time and space to restore, connect, and be inspired.

With intuitive service, thoughtful inclusions, and meaningful experiences, our *Inaugural World Journey* offers not simply around-the-world ocean travel, but a new way of experiencing it; connected, continuous, and profoundly enriching.

This *Inaugural World Journey* — a celebration of curiosity and connection — will be enriched by intimate, curated Destination Experiences led by local experts, bringing each place vividly to life and creating a seamless rhythm of exploration that reveals the world’s colour, character, and soul.

A Passage Through Lands of Iridescent Seas & Inspiring Cities

The first *Passage* of our *Inaugural World Journey* traces the fabled routes of merchants and explorers, unfolding from Arabia's shimmering shores to India's spice-laden ports. In Mumbai, India's historic gateway, an overnight stay offers time to experience the enduring elegance of the Taj Mahal Palace and the city's vibrant cultural rhythm.

Sailing onward, the iridescent beauty of the Maldives brings a shift in pace, where crystalline lagoons and legendary atolls reveal an elemental ocean paradise shaped by sea and light. In Hambantota, Sri Lanka's untamed heart comes into view, opening the way to the sweeping landscapes and abundant wildlife of Yala National Park. Onward through Southeast Asia's emerald

seas, EXPLORA I will call in Langkawi, immersed within Malaysia's UNESCO-listed Geopark, a place of remarkable geological beauty and biodiversity.

Each horizon reveals an exceptional diversity of worlds, connected by the ocean and shaped by a landscape of scents, colours, and connections – a Journey designed to stir all the senses.

A Passage that Traces the Edge of the East

As our *Inaugural World Journey* unfolds, a rare *Passage* connects Indonesia, Papua New Guinea, and Australia across a constellation of islands shaped by myth, desire, and raw natural beauty. Across Indonesia, Java's authentic heart sets the tone, while Bali reveals landscapes infused with spirituality through Ubud's sacred temples, cascading rice terraces, and the expressive rhythms of traditional dance.

The Journey continues into the untapped beauty of Komodo, before arriving in Darwin, gateway to Australia's vast natural reserves and striking wilderness. Sailing onward, Papua New Guinea

emerges, home to more than 800 living languages, enduring traditions, and dramatic coastal scenery.

EXPLORA I then sights one of the natural wonders of the world — Australia's Great Barrier Reef — before concluding in Sydney.

A Passage Stretching Across the Southern Arc

Further along our *Inaugural World Journey*, striking contrasts emerge from Australia’s golden shores to Tasmania’s wild edges, and across the Tasman Sea to New Zealand’s South Island and its sculpted fjords.

Across this perfectly balanced *Passage*, sophisticated cities meet some of the Southern Hemisphere’s most dramatic natural landscapes. In Australia, Melbourne’s cultural vitality is complemented by celebrated vineyards, while Hobart reveals Tasmania’s distinctive identity through its historic streets and the sweeping views of Mount Wellington. EXPLORA I sails through Milford Sound on New Zealand’s South Island, carved by elemental forces of wind, water, and time. Here, the world feels vast

yet intimate. In Tauranga, the doorway to Rotorua’s geothermal park, ancient Māori heritage is shared through living traditions offering a deep cultural perspective.

From Art Deco legacies to renowned wine regions, and wildlife encounters, each destination invites reflection and renewal - a graceful arc through the southern seas where nature leads and wonder follows.

A Passage Into the Sea of Islands

This *Passage* of our *Inaugural World Journey* sails eastward through the world’s bluest reaches, following the steady rhythm of the Pacific from the tropical climes of Fiji and Tonga and the history-laden Cook Islands to the spectacular serenity of Bora Bora and the legendary Tahiti, weaving together some of the most storied island cultures within a single, seamless Journey.

The *Passage* carries EXPLORA I across the International Dateline, marking a quiet yet symbolic transition in time and perspective. On Huahine, ancient temples, lush vegetation, and traditional dances reflect the authenticity of Polynesian life, while Raiatea reveals the

sacred heart of Polynesia through Taputapuātea, a UNESCO-listed sacred site recognised as the spiritual centre of the Polynesian triangle, deeply connected to ancestral knowledge, ritual, and the rhythms of the ocean.

It’s a crossing that feels dreamlike, an awakening to a life lived in a vast expanse on the other side of the world.

A Passage to Rediscover Lost Horizons

Across the heart of the Pacific, horizons expand, revealing both remoteness and revelation. This is an ultra-rare *Passage* across three of the Pacific's most legendary destinations.

Beginning in the heart of French Polynesia, the Journey moves from the coral stillness of Fakarava to the mystery of Pitcairn and onward to the ancient echoes of Easter Island, uniting isolation and imagination across vast open seas. Rooted in Polynesian voyaging traditions, Rapa Nui stands as a powerful cultural bridge across the Pacific, where monumental moai, sacred platforms, and ancestral

rituals reflect a shared Polynesian heritage carried over thousands of miles.

Days at sea become meditations, the horizon an ever-moving line between myth and modernity, ending where the Pacific meets Chile's vibrant shore.

A Passage to Unveil the Many Americas

Tracing the coasts of South America northward, our *Inaugural World Journey* navigates into the heart of the Caribbean — a *Passage* shaped by the imprint of civilisations and the vibrant pulse of colour and culture. In Peru, the desert landscapes of the Paracas Peninsula emerge, inviting to discovery the enigmatic Nazca Lines and the wildlife-rich Ballestas Islands. Extended time in Lima allows for deeper inland immersion into the sacred Quechua legacy of Cusco and Machu Picchu. Sailing north, EXPLORA I reaches the Panama Canal, marking a defining moment as the

Journey crosses from ocean to ocean. From Lima’s gastronomy and Panama’s marvel to Cartagena’s history, a flowing continuum of cultures and natural splendour finds its rhythm: a rediscovery of the Americas, both ancient and alive.

The Journey continues to Europe's sunlit shores of Lisbon, Cadiz and Barcelona.
