

EXPLORA JOURNEYS WELCOMES JANNIK SINNER ON BOARD EXPLORA II IN MONACO

Geneva, Switzerland – 15 September 2025 – Explora Journeys, the luxury lifestyle ocean travel brand of the MSC Group, welcomed Jannik Sinner, the brand's Global Brand Ambassador, aboard EXPLORA II while the ship was docked in Port Hercule, Monaco, on 10 September.

This marks the first time guests had the unique opportunity to meet Sinner in person on one of the ultra-elegant brand's vessels. During his visit, the renowned tennis star explored the ship's world-class facilities, including the panoramic ocean-facing gym, before taking part in a friendly game of pickleball with Captain Pietro Sinisi, Master of EXPLORA II.

The day's highlight was a moderated Q&A session, where guests were invited to engage directly with Sinner. For the first time, they heard firsthand about his life, career, and passions outside the tennis court. The conversation allowed guests to connect with him on a deeper level, offering a behind-the-scenes glimpse into the athlete's world and his dedication to excellence, wellness, and personal growth.

This memorable occasion marks the beginning of an exciting partnership between Explora Journeys and Jannik Sinner, uniting their shared values of exploration, well-being, and discovery at sea.
