

EXPLORA JOURNEYS INTRODUCES EXCLUSIVE “AN INVITATION TO DISCOVER” OFFER

Geneva, Switzerland, 18 September 2025 — Explora Journeys, the luxury lifestyle ocean travel brand of the MSC Group, announced the launch of its latest offer, *An Invitation to Discover*. For a limited time, guests can receive up to €1,000 EUR Destination Experiences Credit* per suite, designed to enrich their Journey with bespoke cultural, historical, and natural explorations.

Explora Journeys’ Destination Experiences go far beyond conventional excursions, offering intimate access to the heart of each destination, its people, and its traditions. Tailored for small groups or private arrangements, each experience provides rare access, authentic encounters, and lasting memories.

Whether wandering storied streets with a local guide, sharing a meal steeped in tradition, uncovering hidden treasures known only to a few, or venturing inland to connect with pristine nature, guests will enjoy a deeper, more meaningful connection to the places they visit.

Exclusive Limited-Time Offer

Travellers who reserve their Journey between **17 September and 14 October 2025** will receive up to €1,000 EUR Destination Experiences Credit* per suite, available to the first and second guests in each suite.

Highlights of Explora Journeys Destination Experiences:

- **Deeper Cultural Immersion** — Authentic cultural, culinary, and historical encounters designed to reveal the true spirit of each destination.
- **Small-Group & Tailored Exploration** — Travel in intimate groups of like-minded guests, enjoying rare behind-the-scenes moments and privileged access curated exclusively for Explora Journeys.
- **Seamless, Worry-Free Discovery** — Every detail is thoughtfully arranged, from expert local guides and transportation to flexible schedules.
- **Curated by Experts** — Developed with trusted partners and explorers to ensure authenticity, depth, and exceptional storytelling.

Guests may choose from Journeys across the Mediterranean, Northern Europe, the Americas, the Caribbean, Alaska, the Red Sea, and Asia, including the remote wonders of Iceland, Greenland, and the Amazon.
